

## **CAPCE CE Program Member Disclosure**

### **Background:**

This disclosure reflects requirement of the CAPCE Accreditation Manual, Section 1.5 Conflict of Interest Disclosures: CE providers must secure from authors and faculty a written conflict-of-interest disclosure that, at a minimum, includes responses to the items listed below. A statement regarding any conflict of interest or absence thereof must be posted at the beginning of each activity regardless of mechanism of delivery (traditional live classroom, DL, VILT). These completed statements must be kept on file for three years and made available to CAPCE on request.

To abide by this standard, Rykerr Medical LLC will maintain a completed copy of this document on the Rykerr Medical website so that potential and active Participants in CE Activities have access to view these details.

### **Specific Premises:**

Disclose any financial relationship one has with organizations (other than the CE provider) and include a brief description of the nature and purpose of the organization(s).

Disclose one's position of employment, including the nature of the business of the employer, the position held, and a description of daily employment responsibilities.

Disclose any outside relationships held with any person or entity from which the CE provider obtains substantial amounts of goods and services, or which provides services that substantially compete with the CE provider where the relationship involves holding a position of responsibility; a substantial financial interest (other than owning less than a 1% interest in a publicly-traded company); or the receipt of any unusual gifts or favors.

Disclose any financial interests or positions of responsibility in entities providing goods or services in support of EMS practice other than owning less than a 1% interest in a publicly traded company.

Disclose any other interest that may create a conflict of interest or the appearance of a conflict of interest with CAPCE or with the CE provider.

**Autograph:**

By signing below, I attest that the answers on this Disclosure are true and honest and in no way shady or deceitful. I also agree to update/ resubmit this form as things change with time. Lastly, I understand that this Disclosure will be made available to the public on the Rykerr Medical website and that I can remove myself from the Rykerr Medical CAPCE Program at any time (which would result in my disclosure being taken down from the website).
